

Storage

A Place for Everything

INNOVANT

Innovant Storage

A Place for Everything

Innovant offers a full compliment of sophisticated storage solutions in both millwork and steel. Our storage solutions integrate seamlessly into our desks to make the most of your space.

Form and Function

Storage Features

All millwork features are beautifully constructed, five-sided dovetail box drawers with replaceable fronts, premium pull details and concealed casters for mobility. Optional tops are available with cast polyurethane nosing, hardwood veneer or applied 3mm vinyl edging.

Steel storage is also available in a broad array of options for both mobile and fixed configurations.

Convenience and Coordination

Innovant offers millwork and steel storage in a variety of form factors to suit all of your personal and community storage needs. The highly-configurable millwork range is manufactured in our Long Island facility, ensuring a seamless aesthetic and functional integration with FORM_trading™ and FORM_office™ furniture.
